

# FREE: Flood Proofing Workshop for Community Officials

**You are invited to a workshop to learn about flood proofing actions you can take to reduce flood risk in your community.**

This is your chance to receive training on different types of flood proofing techniques from the U.S. Army Corps of Engineers (USACE). The flood proofing discussion will include topics such as elevating buildings, wet and dry flood proofing, and relocation/acquisition. You will also hear about federal and state programs that may be available to assist your community with flood proofing. Federal and state agency representatives will be on hand to discuss other floodplain management topics, such as the National Flood Insurance Program and Community Rating System.

## Workshop Information

**When:** June 19<sup>th</sup>, 1:00-3:30 p.m.

**Where:** Albany County Cornell Cooperative Extension  
24 Martin Road  
Voorheesville, NY

**Registration:** <https://www.eventbrite.com/e/nonstructural-flood-proofing-measures-workshop-tickets-62962478468>

For more information on flood proofing please visit the USACE National Nonstructural Committee Website: <https://www.usace.army.mil/Missions/Civil-Works/Project-Planning/nfpc/>
